Felony_the_Cat - June 3, 2017, 4:04 pm

Welcome to Felonys Mega kit give away

So what are u gonna get? Glad u asked, here are the contents of my mega e-whoring kit:
Felonys e-whore method (A short and sweet guide I wrote)

Your welcome guys, sent to everyone. LoL ?

Anyway good luck to everyone and I'm usually around here and several Discord groups to help anyway I can ?

After that there been few days I couldnt manage to pass through various verification that people

requested so I kinda give up and went back to forum but with this Pack I have all that I need seriously thanks man

I'll send u the kit soon as it's doen (LoL 1.42gb @low speed taking a min to upload) I advise against buying anything especially guides, there are tons on here for free. IMO Mr. Burnham has a couple great ones shortcut, boxy, and mine (if it ever finishes upload LoL) are some of the best. If anything buy a pack but then again I have u covered with a nice pack in my kit.

@everyone I know ur waiting, sorry I can't control my up speed. We're at 1.21gb out of 1.42gb so I'll be send it out shortly, thnx for ur patients ?

It is all well put together, the modded kik included is very nice. The eWhore is hot and unsaturated, but the only drawback is that there are not many pictures in the same setting.

U should not write ur guides like this. That irked me so bad.
