Story: I bought a Instagram turbo from this guy for \$15 i think (i dont remeber) and i never recived it so i pm him and he sends me a file which i think is the turbo.

Proof: REMOVED

Proof File is infected?

VirusTotal:

<https://www.virustotal.com/en/file/1a12a6aae7f7745eb07338fca7cdfd71df75f6e13e5532e0da0b93acfe4b4595/analysis/149661921>

<https://malwr.com/analysis/ZWQxMzQzYWJhMGUxNGFmZWExYWU2YzQ1NzkwZDBIMm/>

File appears to be infected because no turbo will give off these scan results.

Also file appears to have Anti-VM installed and Anti-Sandboxie

CLOSED TILL I CAN CHECK FILE MORE
