Can get any inactive Instagram username within a day. Proof of funds must be shown before I get the user, payment will be sent to me AFTER I get the username on a fresh account.

If you are interested send me a PM with the username you want along with proof of funds in BTC.

Only taking BTC.

How inactive does it have to be? Like not post for a year?

Sparky - June 5, 2017, 6:59 pm

within a day? damn ig method must be litty with new docs. lets partner up i finally found decent docs
Imfao

docs = forms I assume

Ive gathered a decent list for undisabling, gets most accounts within 3 days...

We can partner up

This is not a method and has nothing to do with Facebook/docs.

I messaged you but you never got back to me. If you're not interested, at least let me know! Thanks.

Amp - June 6, 2017, 1:15 pm

How much are you charging?

Rikz - June 6, 2017, 1:16 pm

How do we come to an agreement on the pricing?

Dead - June 6, 2017, 1:23 pm

Please don't PM me unless you have proof of funds in BTC.
