Thread: [Free Steam Gif Artwork](#)

rsx - June 5, 2017, 7:46 pm

So I decided to make some steam gif artwork for any upgraded member that wants one since it's pretty easy, look at my steam for an example (feel free to add me if you want :P):

<http://steamcommunity.com/id/Freshen/>

Requirements:

- Must be L33t or Ub3r
- Must be at least level 10 on steam (so you can have an artwork showcase)
- Steam inventory must be on public (so I can get the background link)

Here is the form to fill out:

Code Steam Profile:

What you want it to say:

After Effects Template (if none I will use the one on my profile):

Long artwork? Y/N:

Background name:

These take around 10 or so minutes to make, so I will get to yours as soon as I can ?
