Thread: [Donated to HF](#)

`RaZoR - June 7, 2017, 12:33 am

I earn a lot money coz of HF, so i decided to donate some money to HF
one time i made a contest of 1BTC and upgrade some members. today made something different.
without make contest donated all exchanged money to HF. i will buy some more BTC later on and
donate again. its really hard to do exchange in hf, only small amount like 200-300USD accepting by
exchangers.

Just donated to HF 2300 USD.

Thank you Hack Forum.

Very generous of you to give back to a place that helped you make some money. What awards did
you buy?
