Hello Community,

A big vouch for Perez. He gave me a working Cpanel. I have tested it and it is a charm. This guy is legit.

Cheers and Thanks

**EPS Tech** - June 11, 2017, 3:32 am

Venessa M. Thought I gave you or am I making mistakes? What do you need? Maybe I have brain troubles with female names :-)  
SMTP or Cpanel?

To all I gave unique SMTP for all days ago... I am sure they are still sending unlimited.... Enjoy!

(Jun 10, 2017 03:16 AM)allsdoms Wrote: [\[CITE\]](#) i need the smtp bro. please PM me.

(Jun 10, 2017 05:39 AM)Polatic Wrote: [\[CITE\]](#) Hmm can someone explain me what you can do with a cPanel?

I know its from hosting but do people use it for emailing or cpa hosting or something?

Anyways, I know what an SMTP is so hit me up with one if you have some left! :)  
SMTP sent and all unique and unlimited enjoy. ?

**Deflate** - June 11, 2017, 3:40 am
