Thread: [Group For Sale - BAKA](#)

eCoLoGy - June 7, 2017, 7:26 pm

Unfortunately I can't manage to keep the group running so I'm selling it.

It's been fun since the start and I want to thank every single member in the group for the run.
A special thanks to Nevieth and Tsundere for all the help and hard work.

With that said, I'm not in a rush to sell it.

I'm looking for 6000\$ BTC or ETH. I'm willing to accept lower offers depending on the offer.

Make sure you're approved by Omni to own a group before Pming your offer to me.

Also, transfer fees are on you.

Payment BTC or ETH only.

The group comes with 2 subforums.

Thanks! ?

Nuworld - June 7, 2017, 7:40 pm

This seems to be a trend now days.

Groups now days only seem to last 6-12 months (Maybe longer) before being sold again.

All it takes is one group owner to sell his group and the others follow suit.

Though groups come and go and this is understandable.

Good luck with the sell.

Didn't you buy the group through a payment plan? Whether it was only a month or a few weeks. I think giving someone the option of at least 30 days to make up the full payment with a 50%-75% deposit or something would be good. Not a lot of kids on a forum can spend that kind of cash in an instant. And let's face it, most of HF is between the ages of 14 and 21... maybe 24.

Why would anyone go 50/50, do all of the work, and not be owner when multiple scams with groups and leader/owner statuses happening in the past? Unless you paid like 80% minimum, I don't see how this is a good deal without Omni consenting to hold you to the agreement you've stated.

I don't personally think it is that hard. Normally, you'd pick a genre(s) you want to base your group

on and then work from there. Enrolling leaders to watch over the members and manage its content, you'd just be the rich guy behind the blinds watching over your notorious group and focusing on your future.

Im sure I will, I look forward to seeing what you do with your group. I'm not sure if I do or not. I'll have to check out HFs wiki and see if I can remember it.

I'm already looking at you in my rear view mirror. Buying a group, should have it tmr.
