Thread: [Super cool gif, need the file size down A LOT](#)

oscast - June 8, 2017, 11:03 pm

So at the moment this gif
is at 11.2 mb. Max for HF is 500kb. If someone can try and do that, thank you! :)

Cybz - June 9, 2017, 8:27 am

Resized + colors "fixed" its below 500kb. Great sig!

There is but think like this "Is he bit tired because of too much looping?" :D
