Hack Forums Suggested Artists v2 [Fix & updated]

Basically the large text is the genre, and the extra small text is examples of what would fall under said Genre (basically sub-genre's).

Don't see a genre on here, feel free to post it below and I will add it in! :)

Not sure how many people listen to alternative rap but I've been listening to Ricky Hill, Candy Painted Coffins for awhile now.

Anyone else like his music?
