Replied, thank you for your inquiry.

Have questions? Post here or contact us.

hopeforme - June 9, 2017, 8:14 pm

Nice thread design. Good luck with sales.

Ebooks are generally dodgy on HF, will need a trusted person to vouch this for me before I spend.

Cyam - June 10, 2017, 6:02 am

I did give a review copy to a selected UBER-s, just waiting for them to post their reviews.

Until then, I'm offering early bird discounts to first customers!

Mr. Willian - June 10, 2017, 6:07 am

Purchased elder mage package, sent you transaction id on email! hopefully i won't get disappointed.

Cylow - June 10, 2017, 6:09 am

How about you offer a vouch copy to Mr. Reviewer ? If you're confident in your product, it will boost your sales.

Stanexx69CRIPS - June 10, 2017, 7:51 am

Awesome design as always, ive purchased few of your last ebooks and I werent dissapointed. I will be buying young mage package as its seems it has all the things needed for me, but a few question first about this new book: How many methods are there and are they brand new? And the second question is I bought one of your biggest packages in past so I should be getting 10% discount so where do i go to apply that?

Cyam - June 10, 2017, 9:35 am

(Jun 10, 2017 06:07 AM)Mr. Willian Wrote: [\[CITE\]](#) Purchased elder mage package, sent you transaction id on email! hopefully i won't get disappointed.

Thank you for purchasing Elder Mage package! Your copy have been sent! ?

(Jun 10, 2017 06:09 AM)Cylow Wrote: [\[CITE\]](#) How about you offer a vouch copy to Mr. Reviewer ? If you're confident in your product, it will boost your sales.

I did already contact him and he said he's doing it incognito. ?

(Jun 10, 2017 07:51 AM)Stanexx69CRIPS Wrote: [\[CITE\]](#) Awesome design as always, ive purchased few of your last ebooks and I werent dissapointed. There are total of 5 methods, all brand new to Hackforums market.

Yes, you only need to send us proof of purchase and you will be receiving 10% discount coupon for Sellfy purchase from us!

It would be best if you send it to our email at: eavacinc@gmail.com

NicolaoChristolaus - June 12, 2017, 11:22 am

First off I want to mention that I rarely buy ebooks, only from Eavac because i have already buy 2 past eBooks and they all were HQ and made me money..

When i purchased this ebook, i thought it might not be as good as it was advertised but when i opened the pdf, i was amazed how good and professional it looked inside.. for every method there are tons of pictures and next to each picture is a explanation.. very good.. Support is also better than on previous ebooks, dunno why but it is.. cyam instantly replies on skype and emails even if i have the stupidest question ever..

I bought ebooks 2 days ago and I already got some earnings and i know for sure there will be a lot more because i set all the methods up.. I'm very hyped to see and update thread with more earning proofs.. thanks eavac for amazing ebook once again..

here are the earnings

Stanexx69CRIPS - June 19, 2017, 2:16 pm

So here is my full review as promised for Cyam's ebook

I purchased this ebook on 11/06/2017 (about a week ago) and I can say that I'm really satisfied. His past ebooks were okay, but this one is so much better in my opinion.. It took me 1-2 days to set everything up although at one point I wanted to give up, but his email support and motivation kept me going.. It was worth it and I banked more about \$100 in my first week which is really nice money..

This is not a magic button to make money online, instead he gives you methods to become a real business entrepreneur.. each day my earnings rise and this is what I'm really hyped about, this ebook is definitely worth every penny and I can't recommend it enough.. will post some picture proof just in case you guys don't trust me.. Eavac is really nice company and cares about customers, their ebooks are only ones that are worth buying on this forum,, trust me..

My honest rating on this ebook and support: 9/10

Will update this further, hopefully I can reach \$1000 milestone within a month

Shabab - June 30, 2017, 1:28 am

Send me some more info on the guide please - how reliable is your refund guarantee, how many hours per day does it require and how much average earnings can a newbie expect? Im a student so don't have too many hours to devote to it, I'd like to set it up and then keep it on autopilot.

Edit: Added OP on skype, Cyam's been such a great help and has answered every question and doubt I had with complete professionalism. I have no doubt that if I got so much support without paying a cent, paying customers will have support that is second to none. Highly encourage anyone with doubts to skype Cyam and clarify any and all doubts!!

Investments? 2 methods do not involve investment at all and 3 methods involve only minimum investment.

Thank you for replaying me, what's the optimal range of investment needed for these 3 methods?

(Jun 12, 2017 11:22 AM)NicolaoChristolaus Wrote: [\[CITE\]](#) First off I want to mention that I rarely buy ebooks, only from Eavac because i have already buy 2 past eBooks and they all were HQ and made me money..

When i purchased this ebook, i thought it might not be as good as it was advertised but when i opened the pdf, i was amazed how good and professional it looked inside.. for every method there are tons of pictures and next to each picture is a explanation.. very good.. Support is also better than on previous ebooks, dunno why but it is.. cyam instantly replies on skype and emails even if i have the stupidest question ever..

I bought ebooks 2 days ago and I already got some earnings and i know for sure there will be a lot more because i set all the methods up.. I'm very hyped to see and update thread with more earning proofs.. thanks eavac for amazing ebook once again..

here are the earnings

(Jun 15, 2017 12:45 PM)elados2654 Wrote: [\[CITE\]](#) So hey Big thanks for Eavac when I really want to giveup he wont let me do that so I start with the first method and that wont work, so I try the next one and the next and I find the best method! inside I earn from that 550\$+ from he ebook so big

thanks!

(Jun 19, 2017 02:16 PM)Stanexx69CRIPS Wrote: [\[CITE\]](#) So here is my full review as promised for Cyam's ebook

I purchased this ebook on 11/06/2017 (about a week ago) and I can say that I'm really satisfied. His past ebooks were okay, but this one is so much better in my opinion.. It took me 1-2 days to set everything up although at one point I wanted to give up, but his email support and motivation kept me going.. It was worth it and I banked more about \$100 in my first week which is really nice money..

This is not a magic button to make money online, instead he gives you methods to become a real business entrepreneur.. each day my earnings rise and this is what I'm really hyped about, this ebook is definitely worth every penny and I can't recommend it enough.. will post some picture proof just in case you guys don't trust me.. Eavac is really nice company and cares about customers, their ebooks are only ones that are worth buying on this forum,, trust me..

My honest rating on this ebook and support: 9/10

Will update this further, hopefully I can reach \$1000 milestone within a month

(Jun 15, 2017 06:52 AM)Stanexx69CRIPS Wrote: [\[CITE\]](#) Very good book, liked it very much, its rather different then previous books. I made about 57\$ of profit so far, methods are new and fresh liked them, the #2 method was kinda difficult for me but the others were nice. All in all good purchase

Thank you all for honest reviews. ?

Investment needed for those methods are minimum (between \$3 - \$10) to make sure our customers don't spend tons of money after purchasing our e-Book.

Current discounts are for past users (customers who've purchased our past products) and users paying with Bitcoin (and other altcoin).

Soon we will have more promotional discounts, but nothing for now. ?

Been 3 days since i've paid this guy \$30 for a thread design. I'll be waiting for it buddy. You said 24

hours!
