Thread: [Does anyone have any cool myanimelist code?](#)

S????i - June 11, 2017, 6:06 am

Hey

I was just wondering if anyone had any nice MAL code that I can add to my current MAL to customise it so it looks good?

thanks

That's beautiful

I'd love to get something like that

Really not that hard, made mine with basic CSS knowledge.

Large image, anime list. [\(Click to View\)](#)

Large image, manga list. [\(Click to View\)](#)

Last time someone stole my code I changed all the backgrounds to gay orgies so be my guest.
