Will you be giving a vouch game or no? Thanks.

Frankey - June 13, 2017, 11:40 am

Do you need any champions or runes? If so, which one. Because then I'll buy those before buying a boost ;-)

Sorry, we've given vouches to a couple of people, including myself. I can show some match history games if you'd like! :)

Our boosters will work with any Runes/Masteries. Just don't make them ultra aids, it only makes it harder :P

Just buy the basic runes t3 runes, which are already discounted. AS runes are always appreciated as well. If not, we can just buy T2 runes which are 1 IP per rune.
