Two copies are still left, grab them today! Full on mentorship and support. If you can't afford asking price PM me and we will work out a upfront payment.

No longer taking STRATIS as a payment plan.

This method looks very interesting to me! What is your average monthly earnings with this method?

All profit though, not buying a item and reselling or anything so that is good for me.

?

Upfront payment? I dont have any money. I could give you %30 of what I earn on this method, if you believe in me I guess.

Upfront payment: \$200 at-least.

I'm heading to sleep now though so all pms or questions will be answered in morning.

Did a discounted copy of \$100 and dude ran off, got banned on here so I know he won't be paying up. Just makes me sketch of doing any type of deals for people.
