What do you guys want? Digital ocean codes or?

@SirPiffalot, you can get either .me domain with whois guard or ssl.

NA Riven - June 15, 2017, 4:26 am

Id like the code if it's obtained legally:D

And you are the third winner of the .me domain.
Will PM you in a bit, just to register it.

What is left: 1 digital ocean, 3 x ssl.

Futurism - June 17, 2017, 3:47 am

Can I get \$50 digital ocean ? thanks :Blackhat:

Faith Connors - June 17, 2017, 5:56 am

Lmao github student gains

I think the digitalocean credit only works if you havent used one in the past.
