DontWorryBeHappy - June 16, 2017, 4:43 pm

I feel I should win because I'm a high-quality member who could offer a lot more to this forum with an upgrade.

Currently, I'm limited to where and what I can post which limits me from helping other members as well as being a more trusted member on site.

I have done completely legitimate business all over hf; helping some members launch their business, performing all legitimate exchanges for finances, offering advice, and though minor, even making many laugh.

I seek to enhance my presence on the forum and be acknowledged as more and more valuable each time I visit.

And upgrade would thoroughly help with all of that and would allow me to pursue applying for uber upgrade as well.

I have done many giveaways on hf as well
