Just to make this clear to everyone Pming about this method:

Im not Selling this method, as Its litteraly a goldmine if you have a sub button.

I subscribed about 20 times to Summit1g (Will link Clip Later if Im not lazy lul) just trolling. Just right there he made a Nice amount of money. And he will get paid for all the subscriptions every month now Beacuse i never use the accounts Lol. I might make a service on HF with this later, But for now i will keep upgrading ppls accs for free.

THIS IS NOT THE .EDU METHOD! Like i said my method stays forever or atleast 12 months
