NeXus_Abstract - June 16, 2017, 1:35 am

Hey guys, today i am giving away my Dank/Drak meme pack. 1 month ago i gave my 350+ meme pack, but the thread got closed. This time i am making an even bigger meme pack and i hope this is the right section to post this. All of these memes are HQ, hand picked and most of them are the latest.

Just Pm me and i will send you the pack ASAP.

If the mods think this thread is inappropriate for HF, then you can delete it.

Here is a sneak peak of what i have:
