Thread: [How to change icon folder with a batch file](#)

Hackoo - June 16, 2017, 5:09 pm

Hi ?

Just i want to share with you this code to show you how we can easily change the icon folder with a batch file !

I'm waiting for your feed back ? ?

Source code of Hackoo_Change_Icon_Folder.bat

Spoiler ([Click to View](#))

To download this batch with the icon inside ==> [Hackoo_Change_Icon_Folder.bat](#)

And you can take a look at this code too ==> <https://hackforums.net/showthread.php?tid=5657507>

And tell me how does it works in your side !
