Thread: [Need thread design urgent](#)

**CULTSWEGMAFIA** - June 20, 2017, 6:40 am

Need a thread design

I'd make my own but the pc I'm currently working on is 32 bit and I can't find any crack for 32 bit photoshop lol

If you could hmu with one of these, even an edited template I'd appreciate it

**Inopia** - June 20, 2017, 7:14 am

Send me a PM with your requirements and I'll get on it ASAP. Unfortunately I can not reply to your PM due to my post count, however I will leave the design in the thread.

to be honest you really don't even need photoshop to create a thread design if you check out my free rat setup thread you'd see the thread design i created with word 16. all that said if you still need help you could hit me up

**Xphile** - June 20, 2017, 8:45 am

Let me know if you still need this done OP. ?

If you're still looking for a crack, try AMT emulator.
