Thread: [Silent Byte +Silent Crypter](#)

renx215 - June 21, 2017, 12:38 pm

Has anyone had good success with using these two products? I am assuming they are by the same dev, but I could be wrong.

CanadianBacon - June 22, 2017, 4:41 am

I use SilentBytes and JCrypter and they seem to work ok.
ive never used SilentCrypter though...
