Spoiler ([Click to View](#))

TERMS OF USE

1. I will need your account informations

2. After the first game I'll ask you to pay the right amount via paypal to the following paypal address: toruweber@hotmail.com (payment option: to family/friends)

Also send the money with the following notice:

I am purchasing a ranking boost in CS:GO. This is a virtual service.

I am the Owner of this Paypal Account and I authorise this Payment!

I will not dispute or claim this Transaction and I do not intend to chargeback the Amount I am sending.

I do not need a Full Refund!

3. I'll continue your boost until your request is full filled no matter what

4. I will never message or answer your friends.

5. You shall not play any rankeds during the boosting session. If you want to play some normals on your account let me know.

6. NO CHEATS WILL BE USED

SoccerBet - June 21, 2017, 4:13 pm

Hmmm not bad, GLWS price are cool.

babydrago - June 26, 2017, 9:10 am

UP for boosting. Hmu if interested :)

NightForce - June 26, 2017, 9:13 am

7 eur per silver rank seems a bit pricey specially when converted to USD for me. But definitely looks like a good business, best of luck with sales Drago!

babydrago - July 2, 2017, 4:32 am

UP for boosting. Hmu if interested :)

Discount for first customers

SIM-2223238 - July 2, 2017, 4:40 am

Why not just queue together to boost?

babydrago - July 2, 2017, 4:43 am

Ah, alright.

babydrago - July 27, 2017, 8:18 am

Back up boosting, Hmu for infos :)
