I'm in it, I'm just curious why this thread is here when we already have one discord server for AA.

Fair enough, I'll stick to what I know best but won't keep moaning like an old man.

Yui-Senpai - June 21, 2017, 5:06 pm

Why has nobody posted the AA discord?

There's a thread [here](#). Been around that long its just died.

Yeah yeah, like I said in Discord doesn't hurt anyone, just don't see the need to endorse two separate discords for AA. Like I get Baka as a group having its own, but... well I'm just old man ranting again. Doesn't matter in the end. More places for people to make friends.

RIP our privacy. Time to hide all of our goodies o_e

We have a NSFW channel filled to the brim with some of the highest quality weeb shit you could find, but it's kept behind closed doors only for the elite weeb.

The thing is though, that channel is old and hosted by a different community. Baka Discord is more active, constantly updated, and highly rated amongst sweaty nerds.

More places for weeb to embarrass themselves, so no harm done. ?

Yeah, thanks for joining!

Most of our members have school or work so activity isn't that high, but around the afternoon things kick on and it's a real blast.
