FAQ:

Does this really work?

Yes, it does. But it does require a lot of work and time to be put in to achieve its potential.

What happens if I don't earn?

You will earn if you put some work into it. There's no way not to earn if you put a lot of time and effort into reading and understanding this e-book.

Do you provide refunds if I don't earn anything?

No, not ever. Because as I have mentioned before, if you bought this with intentions to work, you will earn. This is not auto-pilot so don't expect the money to just come to you the moment you buy it.

Do you provide support?

Yes, I do provide full support and I will be more than happy to answer any questions you might have regarding this e-book.
