Deany - June 22, 2017, 8:17 pm

Weird, every time I spoke to Armada he's been very nice to me.

Maybe you did something to piss him off.

Five dollars well spent. Never would have expected anyone would pay for a hate message to a HackForums user. I got a chuckle out of it.

I've got nothing against Armada, but stuff like this makes me laugh. I'd be happy to see one of me, calling me a furr fag or some shit.

NightForce - June 22, 2017, 9:39 pm

Late to the party, but who is Armada and what does it do?

Steve - June 22, 2017, 9:41 pm
