Magicmann - June 23, 2017, 11:56 pm

Buddy, if someone is selling a item for \$500 and is only selling two copies.

You find out one copy sold, then these clowns come out of no where selling knock off shit for like \$25 ..

I would really think you'd know that it's going to be a knock off assumption of what they think works and just trying to make a quick buck.

They are retards, and they will be exposed soon lol.

\$50

Chique - June 24, 2017, 12:35 am

I feel bad for you, and I really can't "afford" to do this but I'll give you \$30 if you just stop selling this completely and not give it out to anyone else. I'd rather try stopping all this cancerous shit from going around so me and chase and whoever has a actual REAL method can sell it instead of this shit cluttering hf.

Shoot me PM if you agree to this, thanks.

Trappy - June 24, 2017, 12:36 am

Just bought 200 copies thank you very much.
