Thread: [phase that bypasses veltpvp](#)

Fezziwig5 - June 24, 2017, 1:08 am

need a client that bypasses velt. There's so many kids that phase in there my dumbass can't find one

iQuintennn - June 24, 2017, 5:29 am

Wasnt there a client named Tea that had a velt bypass?
Anyways there is one major server Tea can fullblock on.
Im pretty sure Custom made a video on it.

PVPHACKERLMAO - June 24, 2017, 11:35 am

Tea, Uzi are two clients that bypass it. Or, you can wait for xboy to add a bypass to every server on serenity.

foddermc - June 25, 2017, 5:14 pm

Hi Kix here, Dev of Uzi. I could work you out a deal for a client with a phase on velt. PM me for details Thanks.

im pretty sure uzi got leaked by a 13year old or something lol. PMed you with the youtube link if you are not aware yet, and uzi already has a velt phase bypass

SIM-2537953 - June 27, 2017, 8:04 am

Paragon has a fullblock velt bypass, only \$10.

vladvilcu2006 - June 28, 2017, 7:04 am

I am the owner of Tea, it does have a fullblock phase bypass for Velt.

saleemkhan25 - July 6, 2017, 3:10 pm

Uzi is skidded af use Alien hacked client, its the best.
