Yeah, thought I comment would come up like this but I really need some cash for something I want to purchase and I thought now would be the best time to sell as the steam summer sales are on.

To be completely honest I got them for a Christmas present.

Sadly I will not go first, I do understand you have more rep and everything but I wont because I dont want to risk it

Sorry

Still got these please hmu if you would like to one

Thanks Ripple

no £10 each

Still got these folks hmu both for £10 need them gone

Younis Khan - June 27, 2017, 2:40 pm

you said \$5 each in ur original thread

why wont you go first? especially for someone like aggron, joined in 2014, he's r3kt and has nearly 2k rep. or u can ask minimalist to do escrow or MM type thing

would you accept a middleman like minimalist?

Banana - June 28, 2017, 3:53 pm

lol just stop messaging this kid to deal. Multiple people asked to deal using mini as a MM and he just says PM me and a day later makes another post saying it's still for sale

No point in feeding the troll

Reyyzan - June 28, 2017, 3:55 pm

As he refused to deal with guy with 2K rep who asked him to go first, I guess it's a scam.
Deal with caution with him but I recommend to not deal with him at all

Ripple - June 29, 2017, 4:58 am

haha this is funny because I say PM me and the people say they will sort a mm however the mm does not get in touch so whos in the wrong not me!
