Thread: [\[GTA 5\] GTA V Online Money Lobbies | Get a FREE \\$X,000,000 Everyday! | Active Discord](#)

zSerity - June 24, 2017, 2:36 pm

NO DISCORD ALLOWED HERE.

If you're interested in getting free money drops each day on GTA 5 Online, please join the discord below.

We will be hosting 1-2 free drop lobbies daily!

[deleted]

Information

We will be doing 1-2 private money drop lobbies per day.

When a money drop is about to take place, we will announce it in the discord and then proceed to provide our social club names.

After you add us on social club, you will be free to join the lobby and partake in the drop.

These usually last around 15 minutes, and you can expect to get around 1.5-3.5m+ from each drop. Equalling 3m-7m+ per day.

No one has ever been banned from partaking in these lobbies with us.

STILL WORKING AS OF PATCH 1.41

still doing free lobbies however not as often as we are extremely backed up with orders at the moment and money drops take super long to do after the last patch.

I forgot to leave my feedback yesterday, so here it is.

Only been in the discord for two days, but have been to two daily drops thus far. There seemed to be a player cap, which made the drops more exclusive and enjoyable. Managed to rack up roughly 4m in total so far, and one of my friends bought 100m yesterday.

There doesn't seem to have been any issues in regards to bans or balance wipes- as long as you do as mentioned and don't deposit the cash to your in-game bank.

Thanks for today and yesterday, I'll hopefully be around for a few more.
