Thread: [Who want's to play Ark Survival evolved?](#)

wtf - June 25, 2017, 6:40 am

Looking for someone to play online pvp with.
Hit me up if you're interested ?

Unknown001 - June 25, 2017, 7:01 am

What kind of server are you gonna play (rate wise & map)
Got 2000 hours into the game and I'm looking for something to play these days since summer vacation is coming up so I'll have plenty of spare time.

I'm looking for some people to liven up a server.

It's the new Ragnorak Map and has decent rates and mods.

Rates: 10x Tame, 15x Gather, 10x Experience, 25x Breeding and 3x Player stats

Mods:

8++

Metal with Glass Set

Death Helper

Meat Spoiler

Raft Extender

Pet Finder

Zelur

Structures Plus

Resource Stacks

Classic Flyers

Reusable Plus

Beacon Enhancer

Server: 149.56.243.131:27035

Server teamspeak: rehabgaming.teamspeak3.com
