Thread: [Selling Aols \(taking requests as well\)](#)

R e b e l - June 26, 2017, 3:34 am

I can access pretty much any aol /aim / verizon account.

Rules:cant be error or cancelled

cant be someone on the forum or famous

Price:\$200 per email

Payment:btc only

Info lookup

What it possibly includes full name , full address, master account number, sub account names, alternate email , phone numbers

Price:\$50 per email

Payment:btc only

basically if you want to do it yourself im giving you the lookup option :)

If you want to purchase a sn that i might have please pm me

Jabber:Rebel@jabber.at

Will do a few vouch copies for info lookup only

Freaky - June 27, 2017, 1:22 am

Vouch for Rebel, I would highly recommend using his service. He's extremely fast and knows exactly what he's doing.

I received a vouch copy and he completed my request within a few minutes of contacting him.

Thanks again, I might purchase from you in the future. <3

@j0ey - June 27, 2017, 1:32 am

Rebel instantly was able to give me the full info drop on a specific email I wanted, dope as fuck.

R e b e l - June 27, 2017, 6:49 pm

Still doing couple vouch copies hmu.
