Thread: [Bulk sms| 0.02/sms-USA | SEND BY UR NAME|| BULK EMAIL-0.005/EMAIL](#)

Glushko - June 26, 2017, 2:38 pm

Bulk SMS is one of the best Promotional service in the market used to promote or sell goods and services. With the help of Bulk Promotional SMS services, one can promote brands, update information and provide offer details to clients at large with a single click. Cost is the driving factor for using Promotional SMS Service. We assure our customers with 100% instant delivery.

10,000 messages could be sent in less than 10 seconds.

For other country pricing list pm me:
or skype: [live:mythians.hf](#)

Useful for the promotional activities.
Sender id will be like e.g. MD-(Name).
No documents required for activation of account.
Message will not delivered on DND numbers.
Unlimited validity*.

BULK EMAIL

Send multiple email upto 15000 at a time with different subscriber at 0.05/email.

for more info pm me/skype
