Thread: [\[OFFICIAL\] Royalty has been sold](#)

Cibor - June 28, 2017, 12:49 pm

I had a great time being an owner and a leader of Royalty.
It has been sold to [Formula1](#).

Thanks to everyone who was a part of my group.

Special shoutout to:

[Fictional](#) - you're a jerk but I love you anyway

[Fiber](#) - too bad you've become so busy

[Cuda](#) - I miss our conversations

[gitclone](#) - nice tuts!

[Cicatrix](#) - lol

I definitely missed some people, I'm a bit sleepy now.

Good luck to new owner!

Cheers

Vandor - June 28, 2017, 12:51 pm

Looking forward to see what is to come from the group that will be overtaking this.

Brotherhood had a good run but what about Royalty? ?

Formula is an interesting guy. Smart and I hope he's not in for the money.

Denzarou - June 28, 2017, 12:55 pm

Sad to see so many groups go recently. At this point, there are only so many groups that have been together for more than a year.

Meow - June 28, 2017, 12:56 pm

Good luck to Formula1 with his new group. ?

M?xim - June 28, 2017, 12:58 pm

Thanks for Royalty's time here. Best of luck with your future endeavors, Cibor.

Yeah, it was pretty retarded for Cibor to sell for \$5k. I would tell it to his face too, I'm not salty over it lmao. ??? Just that I thought he could get more for the group than that, he rushed it.

Nah, I just couldn't be fucked posting in SF/Skype after a certain amount of time, I am active, just better things to do.

And I was surprised I never got kicked either, Fiber must of paid Cibor just to keep me cuz I'm a different type of special.
