Birdperson - June 29, 2017, 7:11 am

DevSquad - June 29, 2017, 7:58 am

What in tarnation is this?

Cammy - June 29, 2017, 8:04 am

How come this abomination of a thread has over 4 pages of replies within a day but my ultra high quality userscripts for HF and Discord get no attention at all?

yotoprules - June 29, 2017, 9:26 am

Was not expecting that... At all....

muxerhe - June 29, 2017, 9:34 am

Why are people talking about how they clicked the link and saw something they wouldn't have wanted to. Thread is about somebody who would supposedly pay for to see/date a person and it has a link with the word 'Transgender' in it fully visible. Though I agree; it grossed me out as well.

Kayvh - June 29, 2017, 9:45 am

No... Just no..

why would you post this, I'm scared.

Spoiler ([Click to View](#))
sarcasm

ActFast - June 29, 2017, 9:59 am

Wow that thing is from another dimension. OP you really need to invest in females.

NightForce - June 29, 2017, 10:07 am

150\$ seems overpriced, post this in the appraisals section to get a better opinion.

Batzii - June 29, 2017, 10:26 am

Op, here's what I think you should do.

Go into the deepest, darkest pit in the ocean. There, you will find your standards. Now what I want you to do, is to bring it back up to atleast sea level.

Moon Rock - June 29, 2017, 10:28 am

I didn't see anything having to do with \$ xD

Rezpy - June 29, 2017, 10:38 am
