Thread: [\[CONTEST\] The Key To The Security Crown \(ONLY 2 COPIES TO BE WON\)!](#)

AmericanExpress - June 29, 2017, 12:12 pm

Hello! ?

I am going to be running a contest where only two lucky individuals will obtain a free copy to the e-book 'The Key To The Security Crown' [thread: <https://hackforums.net/showthread.php?tid=5624430>].

After speaking to the writer of the e-book and the marketer I have been granted permission to run this contest! The contest is open for all members, not just upgraded ones.

All you need to do to enter is comment below to enter.

Rules:

- You may only enter once.
- The terms from the original thread will still apply to those who win therefore I recommend you go and read them.

The two winners will be randomly picked by a generator on the 3rd of July (next Monday)!

I wish you all good luck! ?
