Thread: [\[Request\] Crystal Saga Hack](#)

12ZaZaZa - July 1, 2017, 3:41 am

I need a hack for a game of called Crystal Saga.
Sorry for the bad English

cocaz9 - July 1, 2017, 4:42 am

I think there aren't hack about Cystal Saga cause it's a server side game and every 'hack' that you find on the web it's just a fake or back/rat

First time i heard about it bro

By the way I was only saying that if you can't find hack about this game online or in the proper cheat's forum maybe it's because it's hard to get into.

If it's possible to hack people that can really keep it private since isn't one of the most hacked game like cod and others

I was just trying to warn him if he wanted to download unsafe apps
