DENZAROU'S UNLIMITED UBER RIDES METHOD(S)

Hello everyone,

Decided to start contributing more to the community so we're going to start off with this.

I've read a good amount of the Uber methods that have been on HF, and these methods are not the same. They're for the most part, unique.

Either way, if you've seen these before it's free. And who doesn't like free stuff?

Let me know if you'd like this.

Enjoy!
