Thread: [Need middleman for \\$2,000 deal](#)

Bluffer - July 1, 2017, 7:52 pm

Is there any middlemans available for what I consider a big deal. Obviously only very trusted members shall reply.

4% fee isn't going to do it for me, there's no way I will sacrifice \$80.00 from \$2000.00.

Try asking Minimalist. He does a very good job.

Anyone else thought this was a 2 million dollar deal?

Yin Yang - July 1, 2017, 7:54 pm

What is the payment method that's being used?

Or just give Minimalist his fee. It's better to be safe than sorry....

You do not need to pay 4% to have a safe deal.

If Mini's Mming doesn't work with you which is the best IMO, [Vitani's service](#) is a convenient choice.

No I'm saying that you can find a trustworthy mm without having to pay 4%.
