Thread: [What would you say the best client is to use on cosmicpvp?](#)

Brass Mods - July 2, 2017, 6:55 am

Just wondering what everyone would use on cosmicpvp to blatantly hack. eg bhopping

BigHax0r - July 2, 2017, 6:16 pm

This of course

foddermc - July 2, 2017, 6:35 pm

any client will work to be honest

flaregun - July 2, 2017, 6:35 pm

Any good client. I prefer Vape or etc. Don't play mc anymore though

TheGreat305 - July 5, 2017, 9:37 am

doesnt rlly matter, just use something thats anti-retard

If you're illing to spend money buy Sigma. That's the only truthful answer I can give

saleemkhan25 - July 6, 2017, 2:50 pm

Use alien its the best hacked client ever
