Thread: [Black Desert Online MMO Guest Pass - 7 days](#)

Nebo - July 4, 2017, 7:58 am

Hey everyone,

I've recently bought Black Desert Online and received 10 guest passes that I can give away to people that would like to give this game a try. Guest Pass gives you full game access for 7 days. I have been playing this game for a while and it's a nice MMO game. If you would like to give it a try but are hesitating whether to buy the full game this is perfect for you.

I have no idea if a giveaway of this sort is allowed on HF, I've read the rules it's not 'warez' or anything similar to it. Since the guest passes are given by the system itself and can't be purchased in any way, I figured it should be allowed on HF. If it is not, I beg my pardon.

Anyways, if you are interested in getting one of these, leave a reply here or PM me and I will get back to you. Have a nice day! ?
