Thread: [Just one more thing Google does that makes me sad....](#)

Leroy Jethro Gibbs - July 4, 2017, 10:18 pm

Now Google tells me when I have no life outside of the internet.....

Beyond what this creepy and sad thing is, what else do you know of that google does thats creepy as fuck. Provide links for browser users if possible.

Like where you live? It probably tracks how much time I spend there and counts it as your house.

People put lots of time and thought into stuff like this.

Eventually it will be more of a controlling order than a useful technology assortment.
