Scammerito - July 5, 2017, 5:42 am

Hello, have you heard about Sunny Beach, Bulgaria ? Nope ??

Sunny Beach is basically the cheap version of Ibiza. It's 24/7 party here. You can have a lot of fun? Maybe wanna check ? <https://www.youtube.com/watch?v=BbzViURZj8E>

Here everything is extremely cheap and even low budget people can have great time here.

What am I offering ?

-I am here the whole summer

-I can find you a hotel on a great price

-I can take you around here (visit different clubs with you, have fun together)

-I can do anything so you have a great time here (girls, everything you want)

If you are interested in that service let me know how I can help you and we will negociate it, I promise you will all have great fun and never forget this summer !

Thanks all for the kind words.

Just send me a PM if you are going to be close. You won't regret comming here I promise, it's starting to get full, this season will be really strong as many of the tourists won't go in Turkey this year.

If you need any help here with translation or whatever just let me know :)

I mean that is what sunny beach is for. Having fun. Here you can do anything: drink, go to clubs, take drugs, have \$ex, gamble. Anything you love I can bring you to the best places myself. It's always better when you are with locals and you will see I'm really cool too hehe ^^
