It seems like he keeps using different HF users so he will probably impersonate someone else since I've made this thread.

Updated the OP with the new skype he uses.

EPLS - October 5, 2017, 5:09 pm

Plot twist: the impersonator account is owned by Squalo and used to get free money from unsuspecting victims as well as talk shit to HF members he dislikes.

Jordan2222 - October 5, 2017, 5:10 pm

Can confirm, Squalo is the mastermind behind all of this.

James Burnham - October 5, 2017, 5:11 pm

Squalo is professor finesser.

Relcek - October 5, 2017, 5:13 pm
