Not sure if it was the same story but a little while ago I saw something else about someone getting fired from Home Depot for some stupid shit.

| SASS | - July 5, 2017, 10:53 am

happened few days ago

Wolf Tamer - July 5, 2017, 11:02 am

If Home Depot doesn't value you as an employee, so be it. Just find another job OP. You're too good for them.

Hustla - July 5, 2017, 12:28 pm

only LP is allowed to do anything I don't think it was right for them to fire you, appeal it.

Magna imperium - July 5, 2017, 12:41 pm

Vitani's Mate - July 5, 2017, 1:23 pm

What the fuck, that is so fucking stupid.

Poor bloke, cunt who fired him should be fired.

Nachfolger - July 5, 2017, 1:32 pm

Makes no sense. Probably fake.

Not really. Stores like that have a very strict code, you're not supposed to do anything that can put you in risk aside from what is expected. If you do and you get hurt, Home Depot ends up responsible and they can get sued.

Really shitty policy, but it exist.

If this somehow was real, the guy could probably sue them for wrongful termination.

lemme sell giftcards pls - July 5, 2017, 1:57 pm

He didn't deserve getting fired, we'll hope he gets a better job than with those cunts.

CALIFORNIAN - July 5, 2017, 2:29 pm

This is completely absurd. Anyone being fired for doing the right thing should be given the upmost promotion within the ranks of whatever business they work in.

?lex - July 5, 2017, 2:31 pm

This is absurd. If this is true, he should sue, he'll get millions out of them.

Saint Ares - July 5, 2017, 2:31 pm

That's really stupid , what the hell..!

kyyyyle - July 5, 2017, 3:42 pm

what the fuck, guess next time a kid is being kidnapped i will look away

Prepper - July 5, 2017, 3:49 pm

To me it seems the home depot doesn't value safety nor does it value potential customers and if this is legit I will no longer purchase from the Home Depot but rather use Lowes instead.

lohi - July 5, 2017, 3:49 pm

Yeah who fucking cares about this guy, I'm sure the company had reasons for firing him

Prepper - July 5, 2017, 3:50 pm

Did you not read the letter? if it is legit it clearly states why he was fired.

Social Engineer - July 5, 2017, 4:08 pm

I'm sure if someone set up a gofundme for him, he would be awarded with much more for his actions.

aawon - July 5, 2017, 4:16 pm

if this is real thats pretty messed up :/

Zexo - July 5, 2017, 4:39 pm

I would gladly be fired if it meant that I could stop a kidnapping.

Slayheim - July 5, 2017, 6:05 pm

Can't you take this to the court?

VA Tragedy - July 5, 2017, 6:17 pm

Literally contact your local new agency, explain the story and provide documentstion. They will run the story and shame the shit out of hope depot. I would also raise he'll on social media. You can have something done about this if you really wanted to..

Caiky - July 5, 2017, 10:35 pm

Imao, I guess this explains why the cashier mugged me one time I walked out of home depot and the next day they were manager.

Raz Riverblade - July 6, 2017, 2:01 am

Aaaaah America. Isn't it the greatest country on earth?

The US legal system has some severely important screws lose

EnigmaCenter - July 6, 2017, 2:04 am

This is actually true. I used to work at a high chain and things like that can get you fired. Its not on ethics but its more on strict codes by the company because if anything happens to you. The company can get sued.

Edith - July 6, 2017, 2:33 am

How the hell can you justify firing someone for preventing a kidnapping, wtf.
