Thread: [Professional eSports Betting Predictions and Advice](#)

Scammerito - July 5, 2017, 11:49 am

Hello, I'm here to offer you professional eSports predictions.

What games would we bet on ?

-CS:GO and League Of Legends mostly

Do you guarantee we are going to make money?

-Yes, I guarantee that if you follow my picks you are going to make money

I haven't bet before, would you help me ?

-Yes I will help you with everything :)

What is the price?

The price is:

\$15 for 1 week

\$45 for 1 month

Here are some of my stats:

Betting against SKT in 2017. Sorry for small picture.

But looks like you have some fairly decent knowledge and picks. I might enquire about this later on.
Good luck with sales.
