Thread: [\[SELLING\] EUNE LOL ACCOUNT | RIOT ACCOUNT | RAREST SKINS](#)

Amiri - July 6, 2017, 12:52 pm

Was inactive for like 2 years then I started playing on it, previously owned by a Riot employee, doesn't have Riot in name. The account was originally on NA when I got it, currently on EUNE. The account has an email I made especially for this account, you'll get that as well. offer via comment or pm. ?

Looking for: btc/og insta/csgo skins/osrs gp

Jesus those skins.

GLWS.

Blue Dynamite - July 6, 2017, 12:53 pm

I can offer you 800 EUNE accounts. and if not GLWS!

Haha, I'm done with League so I'll have to decline. Thanks for the offer though.

The account has my email on it, and I'll change it to whatever the buyer wants, thanks for the suggestion. I'll add this to the op.

Added a bin for this account. Cheaper than what it's valued at by quite a bit.
