I really want to know how Shades was one of the most popular rats ever, and not a single person still has the damn files kicking around somewhere.....

I mean I know everyone went all freaking Polly parrot and DBANNED their drives when they heard of the raids and arrests, but shit man. Someones gotta still have a copy lol

Shit I can check my HDD when I get back home to see if I have a copy laying around.

AlphaIndustries - July 8, 2017, 8:22 pm

I think I only got a cracked version of BS on some usb in my house, if you want this pm me and I'll look around tomorrow.
