and if u know this can happen why didnt u state it in your thread?

i mean thats pretty risky as lets say he didnt have funds to cover the charge of uber...

If you don't have the funds to charge then they don't charge.

And it doesn't happen to every account as it's a security measure.

You there? For some reason, uber is not letting me use my gift balance although I have lots of balance to cover the purchase. Get back to me please.
Holy crap really?
