Thread: [Banned on Mineplex Server, need new account or way to be unbanned](#)

Basically, I got banned on this server for no reason. The server claims I was hacking but I was not. I really enjoy the server so I would like to be able to play again.

If you genuinely weren't hacking, file a claim with them. Most servers have support areas n stuff, that or look around for easy alts:)

Mineplex has a support hub: <http://www.mineplex.com/supporthub>

If that fails, you can try their forums: <http://www.mineplex.com/forums>

Good luck!

Just say your account was hacked. They usually in an you if you say that. Act like you are 12 when you make the thread. It helps

I'd wait a couple days after trying a new method.
