Do they ship worldwide, and does this involve SE?

Alright, thanks. Might be useful to note that it's mainly US based.

Been my partner before, good luck with this! Thanks for the vouch buddy. This method is 100% legit and works 100%.

Price dropped to \$3 because I just want to make some cash.

So everyone knows this guy is right, Harbor Freight is a U.S. only store. This caused me to lower the price to \$3 per sale. I'm actually considering lowering it more, let me know your feedback if you purchase.
