Thread: [Anime similar to HxH](#)

**tyler361** - July 7, 2017, 2:11 pm

title.

just finished the series and would love to watch something similar.  
thanks.

DxD > HxH.

If you know what I mean.

Anyway, it might be not exactly what you're looking for, but I got a huge list of anime's that are worth watching.

If you'd like, I could post them. However, they aren't (all) similar to HxH.

Hahaha not a problem dude, could you edit your post and remove the quote / put it in a spoiler though? That list twice fills up the entire page ?

**tyler361** - July 8, 2017, 6:22 pm

oh lol. thank you kisame :p
